

BSA Troop 282 Fall Court of Honor Report

Hello parents of Troop 282,

I would like to thank all the families that came to the court of honor last Month. We had a lot of scouts receive rank advancements and merit badges. As always it is a real treat to see everyone and the scouts receive awards.

I would also like to thank all the people and scouts that have been a part of the summer scouting season. We went on some pretty great trips and competed well at the Council Rendezvous.

We have begun the fall scouting season with our trip last weekend to Timpanogas Shelter. Next month we will be heading over the Santiam pass to Tumalo state park for yurt camping. That will be another new destination just like Timpanogas. In December we will be performing a service outing at the Eugene mission, look for updates. As of now there is no clear direction where we will be headed in January but hopefully it will be somewhere new in the snow!

I also want to thank all the scouts and adults that have participated in fundraisers. Duck parking has been a huge success and there is still one game to go. Candy bar and meat stick sales have completed, and there is still time to sell more papa's pizza fliers and Christmas wreaths, so get out there and sell if you get the chance.

I also want to thank all the scouts and adults that have participated in the eagle projects. Five out of six projects have been completed as of this writing. It is encouraging to see the outpouring of help from all to make this happen.

Finally fall has arrived; along with it leaves, holidays and shorter days. I encourage everyone to enjoy the fall/winter season and take advantage of the great outings planned before it is over and we move into Spring.

Sincerely

Paul Griffiths
