

Adult Resource Survey Troop 282

Boy Scouts of America
Oregon Trail Council
Greenwood District

Scouting is for adults as well as for boys. Troop 282 needs your help by becoming an active Scout Parent. Each family is expected to provide one adult volunteer by either serving on the Troop Committee in an adult leader position, participate in a supervisory capacity by being an active Assistant Scoutmaster, or do several short term responsibilities such as fundraising, or sit on Boards of Review for the Scouts in the troop. By completing this survey, the committee will match your talents and skills with the Troop's needs. It is only with active parent involvement that we can be an active Troop. Thank you for your cooperation – it is greatly appreciated.

While Troop 282 is “boy-led”, it is under the supervision and with the support of adult leaders and parents. To provide the boys with the best possible experience, the Troop needs adults to provide leadership by serving on the Troop Committee, being Assistant Scoutmasters, or Merit Badge counselors. The Committee acts like a Board of Directors, the Assistant Scoutmasters work with the Scouts on weekend camping trips and at weekly Scout meetings, and the Merit Badge counselors work with the boys on earning merit badges. **Please let us know any areas in which you would be interested in helping with, either now or in the future.**
