Troop 282 families,

Due to the cancelation of non-essential school activities within the 4J school district, Troop 282 leadership has made the decision to cancel our Troop meeting scheduled for 3/17. We were planning on attending Round 1 at Valley River Center.

In addition, the outing scheduled for the weekend of March 20-22 is cancelled as well. The Troop already takes a break during spring break so no meeting on 3/24.

During spring break, decisions will be made concerning the meetings and outings that are scheduled for the end of March and April.

Blessings,

Scoutmaster Bill Altmiller

Committee Chair Paul Griffiths
